

An aerial photograph of a large stone building complex, likely a holiday home or farmstay, situated in a rural landscape. The buildings are constructed from light-colored stone with dark grey roofs. In the foreground, there is a stone wall and a paved area. To the right, a silver car is parked. The background features a large green field with several tents and trailers, and rolling hills covered in trees under a bright sky. A large black circular graphic with two concentric lines is overlaid on the center of the image, framing the text.
